

## ***We need your input!***

The GOErgo webpage that is available at: [www.iienet.org/GoErgo/Details.aspx?id=38959](http://www.iienet.org/GoErgo/Details.aspx?id=38959) is a very good source of information for those seeking advice and ergonomics-related recommendations that are working in a real work environment. Therefore, **we ask for your involvement** in sharing with other practitioners the successful ergonomics solutions, useful recommendations, and other educational resources that have contributed to your professional growth. The lessons learned from working on your ergonomic projects will be also valuable information for other ergonomists.

We **welcome your contribution** to the following types of submissions:

- ✚ Ergonomic tips for best practices
- ✚ New and preferred ergonomic equipment and/or products
- ✚ Ergonomic case studies and/or research articles
- ✚ Trustworthy ergonomic references and/or recommendations from professionals in the field
- ✚ Website links for ergonomic related videos

Please **help us provide the most up-to-date information** on the following topics:

- ✚ Construction
- ✚ Environmental Service (including housekeeping)
- ✚ Healthcare Ergonomics (including safe patient handling)
- ✚ Hospitality Industry
- ✚ Human Factors & Psychosocial Issues
- ✚ Laboratory Ergonomics
- ✚ Manual Material Handling
- ✚ Manufacturing/Industrial Ergonomics
- ✚ Office Ergonomics
- ✚ General Ergonomics and/or Ergonomic Standards
- ✚ Teleworkers and/or Mobile Environments & Computing
- ✚ Curiosities/Funny Ergo Association
