Annual Scientific Meeting

**Global Development of Ergonomics: An Asian Perspective
(to be confirmed)**

Speaker: Professor Eric Min-yang Wang

Date: 26th May 2012 (Saturday)

Time: 5:00 to 6:00 pm

Venue: ST522-523, The Hong Kong Polytechnic University, Hung Hom

Prof. Eric Min-yang Wang is a Professor and the Convener for Human Factors and Ergonomics Program at the Department of Industrial Engineering and Engineering Management, National Tsing Hua University. He received his B.S. degree in Industrial Management at National Cheng Kung University, Tainan, Taiwan in 1975 and his M. E. degree in Industrial Engineering at Texas A&M University, Texas, U.S.A. in 1983. In 1992, he received the Ph.D. degree in Industrial Ergonomics at Luleå University, Sweden. Prof. Wang was the Director of the Construction and Maintenance Services and the Dean of the General Affairs for NTHU from 1998 to 2002. He is currently the President of the International Ergonomics Association. He served in the Ergonomics Society of Taiwan (EST) since its foundation in 1993 as Council Member, Executive Council Member, and the President. Currently, he is the Chairman of the International Relationship Committee for the EST. He is a member of editorial board for the Human Factors and Ergonomics in Manufacturing and Service Industries, International Journal of Electronic Business Management, Asian Journal of Ergonomics, Journal of Occupational Safety and Health, and an associate editor for Journal of Aeronautics, Astronautics and Aviation. Prof. Wang's current research interests include human factors/ergonomics, human-computer interaction, system usability, web-based consumer behaviors, aviation ergonomics, ergonomics in healthcare system, and anthropometry.

Enquiries and registration: Prof. Richard So. The Hong Kong Ergonomics Society
